Dear Janice,

I would like to take this opportunity to thank you for arranging Wills and Power of Attorney for myself and my wife.

This is something that we had put off for some time and although I had made enquiries previously, found the matter to be complicated. We wanted to make sure that we received proper advice and that the documents would stand up should they ever be required at a future date.

You took the trouble to visit us when convenient, explained fully so that we could understand. There was no pressure put on us and when we decided to proceed, you arranged a follow up visit to complete matters.

The documents have all been issued and registered through the appropriate channels. We were very pleased with your service and would have no hesitation in recommending Fergusson Law to Friends, family and clients.

Yours Sincerely,

Ian Kidd, ACII
